

## Philomath Fire and Rescue Volunteer Association, Inc

### Board Report 17 October 2022

#### Volunteer Activity

- Football Standbys.
- Dept. open house.
- Homecoming game and bonfire.
- On 10/9 we had a ground cover fire (ending up around 0.74 acre) off of Airport/Bellfountain in which we had a great response. We had 2 career staff alongside 10 volunteers (5 residents, 5 volunteers) plus both Chiefs responded, with additional volunteers responding to station 201 for coverage as well.
- October business meeting was held eagerly welcoming Chancy Ferguson as Interim Chief and Rich Salssaa as Interim Deputy Chief. This meeting had great attendance and allowed for a setting to jointly collaborate on efforts of working together towards same goals and lifting morale.

#### Recruitment and Retention

- We plan to have a booth at the open house as well and working towards making more of a social presence.

#### Volunteer Status

- Sam, one of our RV's is going to Corvallis St. 6, and her replacement Blaise has recently started.
  - After Sam's departure (exact date is unknown at the moment) we're down to 8 RV's.
- RV's (alongside their lieutenants) are moving to a 48/96-hour work period (2 shifts on, 4 shifts off).

#### Tactical Pause

- At this time we aren't staffing St. 202, but will be working towards resolution of tactical pause with Chief Ferguson.

### Suspension of Association Officers

- An email of revocation of President Loudon and Vice President Olsen's suspension was sent to the membership on 21 September. Since this time, they have been in communication with Chief and Deputy Chief as to how we can better work together for a brighter future of the department.
- The association has dropped the BOLI claim as of 4 October.

Respectfully submitted,

Andrew Loudon, President

Jessica Olsen, Vice President

Jean Goul, Treasurer

Stephanie Vallancey, Secretary
